MORRIS S. VITELES ("A Dynamic Criterion") is Associate Professor of Psychology at the University of Pennsylvania, and Director of the Vocational Guidance Clinic which forms part of the Psychological Clinic at the University. Professor Viteles has done considerable research work in industry and in vocational guidance. He is the author of *Industrial Psychology* and *The Science of Work*, as well as of numerous articles in the field of industrial psychology and vocational guidance. He has recently returned from a prolonged stay in Russia and visits to other European countries and is preparing, in collaboration with Franklin J. Keller, a volume devoted to a world survey of vocational guidance. Dr. Viteles is a member of the Technical Committee of NOC.

M. DOROTHY PEEL ("Bibliography") is connected with the Savings Division of the American Bankers Association, New York City and is pursuing graduate work in guidance and personnel at Teachers College, Columbia University. She holds degrees from Southern College, Petersburg, Va., and from the University of Texas.

CARTER ALEXANDER ("Bibliography") is Library Professor, Teachers College, Columbia University, and is an educator of wide experience. Taking the Ph.D. degree at Columbia in 1910, he later joined the faculty of the University of Missouri, and subsequently that of the George Peabody College for Teachers located at Nashville. He became a member of the faculty of Teachers College in 1925. Dr. Alexander is the author of several volumes on educational finance, and frequently publishes papers on topics dealing with school publicity and research with library materials.
